Dear HPFS Members,

We thank you all for your continuing warm support and help to manage the affairs of the HPFS and to contribute for the realization of HPFS objectives.

We are pleased to invite you to the N.P.O Set up general assembly of the Hiroshima Philippines Friendship Society which will take place on Saturday, July 30, 2016.

Since 2012 establishment, the HPFS has been playing important roles to promote friendship and deeper understanding between the Philippines and Japan.

In 2014, the HPFS took a very important role in the disaster relief campaign for typhoon victims in Cebu Island.

This is possible because of the widespread support of many benefactors and HPFS members like you. We believe HPFS has more power to go farther by becoming N.P.O.

The following are agenda of the general assembly:

- . Objective and mission of N.P.O Hiroshima Philippines Friendship Society
- . Constitution matters after N.P.O
- . Planning for 2016-2017

Please come to attend the general assembly. In case you cannot come personally to the general assembly, please fill up the attached proxy form and return it by email to the HPFS by Sunday, 24.
